

## Spectrum Vision Partners

Spectrum Vision Partners is a leading management services organization serving the ophthalmology sector. Spectrum Vision Partners has over 400 employees providing world-class practice management solutions to a network of nationally renowned multi-specialty ophthalmologists in the Tri-State region, including Ophthalmic Consultants of Long Island (OCLI). Spectrum Vision Partners provides a comprehensive set of business support functions, including billing and collections, marketing, financial and accounting services, benefits and payroll management and information technology.

Spectrum Vision Partners administratively supports OCLI's continued growth in the Long Island market and seeks future affiliations with leading providers of eye care within the Tri-State region and other geographies.
